There are three items that are not included in the above total--1) books and supplies, 2) health insurance, and 3) incidental expenses. Health insurance is approximately \$31 to \$54 per month plus a \$16 one-time enrollment fee, but students do not have to buy it in the United States if they have adequate insurance coverage purchased in their home country (a minimum coverage of \$100,000 per illness or accident required/Please refer to the attached for more information about health insurance). The cost of books and supplies is estimated at \$1,000 for one academic year, and incidental expenses are estimated at \$2,000 for one academic year. Students are also responsible for their own transportation back to the airport at the end of the program.

Please understand that there are four different housing rates for the 2018-2019 academic year ranging from \$2,467 to \$3,387 for double occupancy per semester. The estimate above uses the second lowest rate for White, Regents, and Hart. Students may be assigned to different dorms at different rates. In addition, if students arrive before the University dorms are officially open on Saturday, August 17, 2019, they will need to pay for interim housing, which is currently \$18 per night.

The MSU Housing Office requires a deposit of \$150 to reserve students' rooms. To avoid the difficulties of collecting and refunding these fees, the ESL Program will cover the housing deposit cost on behalf of our partner university students. If for any reason, a student forfeits the possibility for the deposit to be refunded at the end of his/her stay (fails to notify the Housing Office or check out by the deadline OR causes any damage to the room or other property), that student will be immediately responsible for paying the \$150 fee and will also be responsible to pay any additional charges (damages/lost keys, etc.) to his/her MSU account. The ESL Program asks for the cooperation of our partner universities to collect any fees necessary.

All stated amounts are in U.S. dollars. As noted above, the total is an estimate with a \$600 ESL tuition discount, a \$2,500 Global Outreach Scholarship, and a \$2,500 Partnership University Scholarship for each student from National Changhua University of Education.
