## Study Abroad & Student Exchange 3+1+X

### UNSW 3+1+X Program

University students from select universities around the world can participate in the 3+1+X Program. Study for a minimum of 3 years at your home university, then 1 year at UNSW as a Study Abroad student, to gain direct entry into a UNSW Masters Program.

### Your Australian adventure starts here

Boasting spectacular harbour views and a sun-drenched coastline, Sydney is a vibrant global city with a culturally diverse population, burgeoning economy and world-famous beaches and landmarks. It is also home to one of Australia's leading universities, UNSW Sydney.

UNSW Sydney is an internationally acclaimed teaching and research powerhouse, offering study abroad and exchange students a learning experience packed with academic programs, student activities and educational services. The University is home to academics recognised as worldleaders in their fields, and offers modern facilities, rigorous education standards and a diverse community.

Sydney is where people come to expand their education, work and lifestyle opportunities, achieve their goals and reach their ultimate potential. It's Australia's largest city and offers endless experiences from festivals, food culture and international sporting events to shopping, sightseeing and surfing.

We look forward to providing you with the broadest opportunities to help you flourish Down Under and hope to welcome you to UNSW Sydney soon.
